

Introducing the South Carolina Association of Orthopaedic Executives

During the SCOA Annual Meeting, a group of dedicated leaders representing the orthopaedic administrators across the state gathered and officially approved the formation of the South Carolina Association of Orthopaedic Executives. This new membership association will bring together management level staff from orthopaedic practices across the state. The mission statement of the association is as follows:

The South Carolina Association of Orthopaedic Executives will work in concert with the American Association of Orthopaedic Executives and the South Carolina Orthopaedic Association to champion the interests of orthopedic practice administrators and staff throughout South Carolina.

Congratulations to the first officers of the organization: President -Kelly Roper, Orthopaedic Associates, Spartanburg; President Elect - Pete Mansfield, Coastal Orthopaedics, Conway; Treasurer -Thomas Horn, Medical University of South Carolina; Secretary - Sean McNally, The Moore Orthopaedic Clinic; and Membership Chair - Mary Elkins, Carolina Orthopaedics, Rock Hill.

Please make sure your administrator is signed up to participate in the organization. Membership details are available by contacting the SCOA.
