2022 PROGRAM COMMITTEE

2022 ANNUAL MEETING
2022 LEGISLATIVE ROUNDTABLE PANELISTS

The Honorable Representative
John Taliaferro “Jay” West, IV
District 7 | Abbeville and Anderson Counties
1st Vice Chair, Labor Commerce and Industry Committee

The Honorable Representative Jason Elliott
District 22 | Greenville
Member, Judiciary Committee

ACREDITATION STATEMENT:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Dade County Medical Association and The South Carolina Orthopaedic Association. The Dade County Medical Association is accredited by the Florida Medical Association to provide continuing medical education for physicians.

The Dade County Medical Association designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

THURSDAY

Welcome Reception
The annual Welcome Reception will be held the first evening of the meeting, Thursday, August 4th from 6:00 to 7:30 pm in Grand Oaks Foyer and Grand Oaks A. All meeting attendees and their families are encouraged to attend.

FRIDAY

Organized Golf Outing
The golf outing will take place on Friday, August 5th on the Ocean Course. We are going to start the tee times at 1:10 pm. Attendees should plan to leave the hotel by 12:15 am to make your tee time. All attendees interested in playing in the organized event should register prior to the meeting or at the meeting registration desk at the hotel. Boxed lunches will be provided at the course.

Organized Tennis
The organized tennis will take place on Friday, August 5th starting at 1:30 pm. All attendees interested in playing in the organized event should register prior to the meeting or at the meeting registration desk at the hotel. Boxed lunches will be provided at the SCOA Registration Desk.
SPECIAL EVENTS

FRIDAY

SCOA Foundation Donor Appreciation Reception

The SCOA Foundation remains active as we anxiously look forward to resuming the amazing work we have been doing in Haiti. This program is not possible without the generous support of our members and industry partners. As a way to recognize your contributions, the Foundation will be hosting an Appreciation Reception on Friday, August 5th from 5:00-5:30 pm in the Heron II Room at The Sanctuary Hotel. All donors are invited to attend. Donations can be made on site.

Family Dinner & Celebration

A tradition returns. After a covid-induced hiatus, we are pleased to present our family dinner event once again this year. The Terrace Courtyard & Ballroom at The Sanctuary Hotel will play host to our family event on Friday evening, August 5th from 5:30 to 7 pm. All attendees and their families are encouraged to attend. You will need to RSVP and receive tickets to attend. Tickets will be collected at the front door. For members, the first 2 adults and 2 children are free. Additional adults are $100 per person and additional children over 10 years of age are $50, and under 10 years of age are $25. Exhibitors are allowed no more than 4 attendees and additional attendees are $250 per person. Entertainment will be provided. We will also have a professional photographer on site to take family photos and professional headshot photos.

SATURDAY

5K Fun Run

Please join us the morning of Saturday, August 6th for a little exercise in the most exhilarating setting. The run will take participants along the beach enjoying stunning views of the ocean and surroundings. The run will start at 6:30 am. We are planning to meet on the Grand Lawn of The Sanctuary Hotel and then walk down to the beach for the run. Please check with the registration desk for a map or if you have any questions.

Presidential “Sunset” Reception

The Terrace Courtyard at The Sanctuary Hotel will play host to our Presidential Farewell Reception and formally bring a close to a wonderful weekend. The reception will take place from 5:00-6:30 pm on Saturday, August 6th. This event is for all attendees including children this year. If you prefer to secure babysitting during the event, you can secure babysitting services directly from the hotel. The reception will give all attendees the opportunity to wind-down and spend the final hours of our annual event in the company of colleagues. Dress is “snappy casual”. We will provide appetizers during the event but if you want to keep the evening going you may want to make reservations for dinner immediately following the reception at one of the dining outlets at the resort. We hope to give you the opportunity to enjoy each others company for a little while longer as we recognize the contributions of our outgoing President, Benjamin Jackson III M.D.

PRESIDENTIAL GUEST SPEAKERS

Chris Penso
Olympic and Major League Soccer Referee

Chris Penso is a seasoned Major League Soccer referee with a diverse background. Originally from Ohio, Chris earned a Bachelor of Accounting at Kent State University before joining the Ohio Highway Patrol. He began refereeing full-time with MLS in 2009 and has officiated over 200 regular season games. Additionally, Chris has served in the following capacities: FIFA Video Match Official since 2021; 2020 (2021) Tokyo Olympics as the 1st official to ever work both the Men’s & Women’s Gold Medal matches; 2013-2015 FIFA Referee; 2016 MLS All-Star Game; 2018 & 2021 MLS Cup VAR; 6x NCAA Men’s College Cup Referee; 2x NCAA Men’s Division 1 National Championship Referee; and Coordinator of Officials for American Athletic Conference.

Chris is married to Tori Penso, also a FIFA and professional referee, as well as a candidate to officiate at the 2023 Women’s World Cup in Australia and New Zealand. They have 3 daughters, Piper (8), Jovie (6), Brinley (4), and currently reside in St. Petersburg, Florida.

Jeffrey S. Kneisl, MD
Chief Surgical Officer, Atrium Health Greater Charlotte Region
Executive Vice Chairman, Atrium Health Musculoskeletal Institute
Marie-Claire Marroum MD Distinguished Chair Of Orthopaedic Oncology, Levine Cancer Institute
Professor of Orthopaedic Surgery

Currently, Dr. Kneisl is the Marie-Claire Marroum M.D., Distinguished Chair Of Orthopaedic Oncology, of the Levine Cancer Institute, and Professor of Orthopaedic Surgery and Executive Vice Chairman of the Atrium Health Musculoskeletal Institute in Charlotte, NC. He serves as the Chief Surgical Officer of Atrium Health, Greater Charlotte Region with responsibilities for perioperative services involving 18 hospitals and ASCs, over 140 operating suites and approximately 12,000 procedures/month.

Although technically a native of Jacksonville FL, as the son of a US Navy aviator Dr. Kneisl moved extensively growing up, attending 11 schools in 6 states before graduating High School. Also a US Navy veteran, Dr Kneisl attended Northwestern University undergraduate and medical school on an Armed Forces health Professions Scholarship prior to going to sea as the Medical Officer of USS Vancouver, LPD-2, homeported out of San Diego, CA.

Subsequently, he completed his orthopaedic surgery residency at Northwestern University and orthopaedic oncology fellowship at University of Chicago. Prior to relocating to Charlotte, NC he was on the orthopaedic faculty at the US Naval Hospital, Oakland, CA and

continued on Page 6
Northwestern University residency programs. Dr. Kneisl has been in Charlotte, NC since 1992 and has served as a member of the orthopaedic teaching faculty continuously since that time. A committed orthopaedic educator, he has received seven Teacher of the Year awards at three different institutions. Dr. Kneisl serves as an Oral Examiner for the ABOS and prefers giving the Oral Boards in general orthopaedic surgery.

Dr. Kneisl has published extensively in all the domains of orthopaedic surgery (trauma, spine, tumor, pediatrics, adult reconstruction, upper extremity, foot and ankle, sports medicine) and has served as a reviewer/editor for multiple orthopaedic, oncologic, and surgical journals. He has received over $4.5 M extramural grant funding. He is a member of the AAOS, AOA, American College of Surgeons, Musculoskeletal Tumor Society, Society for Surgical Oncology, Connective Tissue Oncology Society, and the International Society for Limb Salvage.

His personal life includes wife Catherine, five children, a large German shepherd, 20+ fishing poles and a golf bag. When not committed to work or family, he will usually be found outdoors, in a body of water with a fishing pole.

Michael Shawn Stinson, M.D.
Senior Vice President, Healthcare Innovation and Improvement
BlueCross BlueShield of South Carolina

Shawn Stinson serves as Senior Vice President of Healthcare Innovation and Improvement at BlueCross BlueShield of South Carolina. In this role, he is responsible for clinical programs including care management, value-based reimbursement, quality, pharmacy, clinical informatics, and medical staff affairs. Prior to joining BlueCross BlueShield, he was a practicing internist and the Chief Quality & Patient Safety Officer of Palmetto Health (now known as Prisma Midlands).

A native of Greensboro, NC, Dr. Stinson earned his undergraduate degree from the University of North Carolina–Greensboro. He attended medical school at Duke University and completed his internship and residency training at The Johns Hopkins Hospital in Internal Medicine. After residency training, he began his career on the faculty at Hopkins in 1991 where he remained until coming to the University of South Carolina School of Medicine in 1995. He continues in the role of adjunct associate professor at the USC medical school where he lectures on clinical applications of physiology principles.

He is a Fellow in the American College of Physicians and is board-certified in Internal Medicine. Since coming to BlueCross in 2014, Dr. Stinson has been working on efforts to advance value-based reimbursement and population health.
William (Tripp) Jennings MD, FACEP
Vice President, Clinical Innovation Officer
BlueCross BlueShield of South Carolina

Dr. Jennings is the Clinical Innovation Officer, VP for BlueCross BlueShield of South Carolina. He is a Board-Certified Emergency Medicine physician and Fellow of the American College of Emergency Physicians. He previously served as the Chief Value Officer for Palmetto Health Hospital System and Medical Director for South Carolina Department of Health and Human Services. He has served as the President of the South Carolina College of Emergency Physicians. Areas of focus have included Technology platforms, Value Based Healthcare, Emergency Medicine, Population Health, Telehealth, Business Intelligence, Clinical Utilization, and Informatics.

Unified solutions for high-value results

We help you put all the pieces together.
Sharecare offers trusted individual solutions, with options to bundle components to create healthcare solutions that provide unified, actionable metrics that drive intelligent decision support for the entire healthcare ecosystem.

Value-based Care Solutions
Generate revenue through value-based reporting

Health Information Management
Reduce staff administrative overhead

Payment Integrity
Protect revenue through reduced claim denials

Clinical Solutions
Engage patients to adhere to care plans and close care gaps

Patient Engagement Platform
Diversify revenue through additional services

All together, better.
